

Extra Task**BILAG 13**

Write a Factbook about **The Stone Age** or **The Bronze Age**

1. Research and find information about:

- Give a historical description of what period came before and after.
- Explain how people lived.
- Describe what kind of food they ate.
- Describe what items and tools they had.
- Explain what kind of sports and games they played.
- Describe what inventions were discovered during the period.
- Add anything else you find interesting and relevant.

2. Find photos or illustrations to use as layout in your Factbook.

3. Produce a Factbook:

- Create a front page with a title and illustrations.
- Use the research questions as chapters and have 5 chapters or more.
- Write the text with your own words and use photos and illustrations for each chapter.
